Fellow Music and Arts Lovers:

We are trying to permanently establish the West Side Chamber Orchestra in Fayetteville, Southern Pines, and Greenville, NC. Your donation, large or small, can help make that dream become a reality, beginning May 29-31, 2009, and followed by a full 2009-10 season.

The [West Side Chamber Orchestra](http://www.WestSideChamberOrchestra.com) is formed from the most sought-after instrumentalists in NC and beyond. The excellence of the ensemble's debut concerts in February and March, immediately establishing the ensemble as the premier Chamber Orchestra in NC, prompted Maestro Wolff to invite the WSCO to Carnegie Hall on April 4th, 2009 to make its formal NY debut. The orchestra enjoyed a full, enthusiastic house, and a standing ovation. The concert's Presenter expressed her desire to bring the orchestra back to Carnegie next season.

The initial NC concerts were personally financed by Maestro Wolff, one of the leading performing artists of his generation and a frequent guest at Carnegie Hall and other important venues the world over, in order to sow the seed for a bright future. The costs, however, were great - more than \$10,000. In order for the WSCO to have a future in NC, we depend not only on your presence at future concerts, but also on your generous donations, which are made all the more visionary and appreciated by the present state of the economy. There are many ways to give and be acknowledged for your gifts. Seize this opportunity and share our dream for Fayetteville, Southern Pines and Greenville by donating to the WSCO.

Sincerely,

Friends of the West Side Chamber Orchestra
